Pre-book your place today

23rd World Congress on Intelligent Transport Systems

9am – 5pm Thursday 13 October 2016
9am – 2pm Friday 14 October 2016

Melbourne Convention and Exhibition Centre (MCEC)
1 Convention Centre Place, South Wharf, Melbourne

The world's Intelligent Transport Systems (ITS) industry is coming to Melbourne for the latest on connected vehicle technology – and you can join them.

With the theme ITS – Enhancing Liveable Cities and Communities, the 23rd ITS World Congress is an opportunity to learn more about how automated and connected vehicles, road safety, big data and smart transport technology will help make our roads safer and influence the way we, and future generations, will get around.

There'll be interactive displays in the exhibition centre and free to attend informative community sessions hosted by the City of Melbourne with world-leading experts – with your chance to ask questions.

➕ **PLUS:** Don't miss the schools and student showcases! See robots, student programed model kit cars and smart city designs.

Award winning venue, excellent transport and parking facilities plus food and refreshment areas.

Pre-book your place today for free admittance and simply collect your name badge on arrival!
